

We Are Grateful

In these pages of *Providence Alive*, the Sisters publicly thank our generous friends. In these difficult times, you have generously shared when we asked, and we are grateful! Your gifts were very meaningful when we needed support for our young Sisters and for our Providence Ministry Fund for Sisters who are serving where they are inadequately compensated. We are grateful, too, for your continued use of our memorial prayer cards, which support Lourdes Center, the home for our retired and infirm Sisters. We remember you always in our prayers. Thank you! ☀

“As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.”

—John Fitzgerald Kennedy

“The thing which counts is the striving of the human soul to achieve spiritually the best that it is capable of and to care unselfishly not only for personal good, but for the good of all those who toil with them upon the earth.”

—Eleanor Roosevelt
